**1**  
 Come, bless the Lord and trembling rise  
 Before the Sovereign of the skies;  
 Before his majesty now raise  
 Adoring hymns of grateful praise!

**2**  
 Bow humbly down, your sins confess;  
 Pour out your soul, on mercy rest.  
 Since Christ triumphant bears your woe,  
 Repent, his cleansing mercy know.

**3**  
 Rise joyful now and Jesus bless  
 For his imputed righteousness,  
 His sovereign kindness, lavished grace,  
 His freely dying in your place.

**4**  
 Pay all your vows and cheerful bring  
 The gifts he gave; give back to him.  
 His gifts, so vast, his life outpoured—  
 Ourselves we lay before you, Lord.

**5**  
 Come, Word of Life, yourself reveal;  
 Your truth make us to know and feel;  
 In flame our minds to love your ways;  
 Make us a sacrifice of praise.

**6**  
 Come, Jesus Christ, sweet heav'nly  
 Bread,  
 And with your life this table spread,  
 Then grateful we will solemn dine  
 On hallowed bread and sacred wine.

**7**  
 Go forth into the world in peace,  
 And bear the burdens of the least,  
 And bathe your neighbors' feet in love,  
 So Christ they'll know and praise above.
